Family Friend _____ Web Camp Fair Print YMCA of Greater Boston Branch Other: _____

2012 Pricing Structure (Prices on reverse side): We realize that families have differing abilities to pay. This program is voluntary. Your child gets the same amazing experience regardless of THE tier you choose. This offers the opportunity for families to take an active role in their child's Camping experience. Word of mouth is our best marketing tool, so tell a friend! As always, additional financial assistance is available.

Benefactor (s): are vital to supporting Camp by allowing us to purchase the extra things that provide a unique and special experience for campers. For example: program supplies, boats, ropes course adventures and more. You also help us make much needed facility repairs due to annual wear and tear. Camp is over 80 years old and there is so much to do!

Friend: This is the basic cost of Camp. In an effort to provide access for all, the YMCA subsidizes all of its programs. It is an important part of our mission. It does not truly reflect the cost of operating Camp, but it is provided to assure that all families can afford to experience Camp.

Camper: The camper level provides for a larger subsidy for families who are in need of further financial assistance. We know that our parents understand how valuable the Camp experience is, but may be experiencing economic pressures. In our continued efforts to support families please choose this rate if your family needs it in order to still provide your child with a great summer experience.

Benefactor, friend, and camper level described on front side of card
